

Directions to Salacoa - Summer Camp

Directions to camp:

Follow SR 140 from **Canton** and through **Waleska**. A few miles past Waleska you will see a large LAKE ARROWHEAD sign, on the left, at **Refuge Road**; continue on SR 140, past this sign, then look for **Salacoa Road**, on your right. Turn here; follow the road around 4 miles or so, looking for the Cherokee County Fire Department Station on your right. It is near the top of a slight hill. Just past the station, on your right, you will see a dirt road, usually with a gate across it. There is a sign designating **CHEROKEE FARMS**, and a private street sign displaying **Silver Dollar Trail**. Follow this dirt road until you end up beside the lake.
